Preliminary Amendment - First Action Not Yet Received

PATENT

REMARKS/ARGUMENTS

Claims 14-22 are presented. Claim 14 has been amended to replace the blank boxes and insert the chemical structures that were inadvertently omitted due to a computer/printer error in the previous preliminary amendment filed August 27, 2003. No claims have been canceled or added. This case was recently assigned an application serial number and filing date, and the supplemental preliminary amendment is being resubmitted to include this information.

Entrance of the foregoing amendments and an early and favorable Action is respectfully requested.
